

CENSUS, NORTHERN IRELAND, 1966

# HOUSEHOLD RETURN **A**

Form issued by the Registrar General pursuant to the Census Act, 1965

## NOTICE

1. The Head, or person acting as Head, of a private household is required by law to make a return in this form in respect of all persons (members of the household, including visitors, employees and boarders) who are present at midnight on the night of Sunday, 9th October, 1966, in the dwelling, and all persons who arrive at the dwelling and join the household on Monday, 10th October, 1966, before the collection of the return and who have not been enumerated elsewhere.
2. If a house or part of a house, flat, apartment, etc., is let or sublet to separate households then each occupier must make a separate Return applicable to his part of the accommodation. Boarders are not to be considered as separate occupiers but as part of the household with which they board.
3. In the case of **Hotels, Boarding Houses, Lodging Houses** and similar establishments, the **Manager or other person** in charge must make a Return in respect of all persons who spend Census night on the premises or who arrive there on Monday, 10th October, 1966, and who have not been enumerated elsewhere.
4. Every person is required by law to give to the person making the Return such information as may be necessary to enable the Return to be completed. But should a person object to giving the information in this way he may obtain from the enumerator or the nearest Police Station a form on which to make a separate Return, in which case the person responsible for making the main Return should complete columns A and B only in respect of that person.
5. This Return must be ready on **MONDAY, 10th October**. If the answers appear to the enumerator to be incomplete or inaccurate he must ask any questions necessary to enable him to correct the Return.
6. The person responsible for making the Return may, if unable to deliver it to the enumerator personally, arrange for some other person to do so on his behalf. If desired, the Return may be given under cover to such other person for handing to the enumerator.
7. If any person whose duty it is to make a Return or to give information refuses to do so, or wilfully gives false information or uses otherwise than for the purpose of making the Return any information given him for that purpose, he will be liable on conviction to a fine not exceeding **Ten Pounds**.
8. The contents of the Return are strictly confidential.

## NOTES FOR GUIDANCE IN THE COMPLETION OF THE RETURN

These notes will help you to answer the questions. Please read them and study the examples before you fill in the answers.

Your co-operation is sought in providing accurate and complete answers to the questions so that reliable statistics may be prepared. It is the duty of the Enumerator to examine each Return to see whether it has been properly completed, and it will assist him in his task if you will exercise care in furnishing replies to the various questions.

### NOTES

#### 1. Relationships (Columns A and B)

Where a husband and his wife are both included, write their names on consecutive lines in column A. A relative visiting the family (e.g., a son on a visit to his father's house) should be described as a visitor. A person residing at a hotel, etc., should be described as "Resident" or "Boarder".

#### 2. Date of Birth (Column D)

- If the date of birth is not known exactly give it as accurately as possible.
- If the date of birth is unknown give the approximate year of birth.

#### 3. Marital Condition (Column E)

- If separated and not divorced write "Married".
- If divorced but remarried write "Married".

#### 4. Usual Address (Column F)

- School children, students, etc., who live away from home during term should give their home address, not their term-time address.
- Members of H.M. Forces should give the address of their married quarters or other home address.
- Resident staff should regard the private house, boarding house or other premises where they live as their usual address and write "Here".
- For persons with no settled address write "None".
- For boarders who have a settled residence with this household write "Here".

#### Employment (Columns J, K and L)

**5. In Employment** means that the person had a job during the week ending Saturday, 8th October, 1966, even if he was away from work because of holidays, sickness, strikes, etc. For example, a sick person is in employment if his job is waiting for him when he gets well.

Employment includes any service in the Armed Forces, and jobs at which a person worked for only a few hours, e.g., for a housewife who helped in her husband's shop or did some office cleaning.

**6. More than one Employment.** If the person changed his employment during the week, give details of the employment in the later part of the week. If the person normally follows more than one employment during the week, give details of the main employment only.

**7. Unemployed.** If a person is unemployed or does not follow an occupation for payment or profit write "Out of work", "Retired", "At school", "Student", "Home duties", etc., in column J as applicable.

#### 8. Place of Work (Column J(i))

- For people with no regular place of work such as sales representatives, transport inspectors, certain building workers and others who do not work daily at or from a fixed address or depot, write "No fixed place".
- For people working daily at or from a fixed address or depot, such as certain transport workers and building workers employed on a site, give the address of the depot, site or other fixed address.
- For seamen give the name of the ship and, if it is in the United Kingdom, the port in which it is lying, otherwise give the name of the home port.

#### 9. Employer and employer's business (Column J(ii))

These details are required only to help in classifying the industry or service. Describe the business fully and avoid using initials or abbreviations. Such terms as "Manufacturer", "Merchant", "Agent", "Broker", "Factor", "Dealer", "Engineering", "Retailer", "Shopkeeper" are not enough by themselves and further details should be given about the articles manufactured or dealt in.

For civil servants, local government officers and other public officials give the name of the Government Department or Local Authority and the branch in which they are employed.

For people employed solely in private domestic service there is no need to give the names of individual employers during the week; it is enough to write "Private" in answer to this question.

#### 10. Full-time/Part-time (Column K)

- If the employment is normally full-time but was interrupted during the week (for example by sickness, injury, holidays, short-time workings, strikes or unfavourable weather) or was started or stopped part way through the week write "Full-time".
- For persons who regularly work less than the normal hours in employment write "Part-time".
- For part-time workers not at work during the week ending 8th October, 1966, write "Out of work" in column J.

#### 11. Transport to Work (Column L)

- For a person using more than one method of transport to work give only the method by which the longest distance is travelled; for example, if the normal journey to work is one mile by bus and five miles by train, write "Train".
- For a person whose main method of transport to work is by bus write "Public service bus" or "Private bus" (including employer's lorry or van) whichever is appropriate.
- For a person who travels to work by private car write "Private car, driver" or "Private car, passenger" whichever is appropriate.
- For a person whose main method of transport to work is by motor cycle combination write "Motor cycle combination" and not "Motor cycle".
- For a person who works at home write "None".
- For a person with no fixed place of work give the method of transport most often used for going to work.
- For a person who walks all or most of the way to work write "On foot".
